Dear Parents/Carers,

Our Year 10 students are nearing the end of the second year of their French GCSE course and we have been looking at ways of further supporting you son/ daughter in this subject.

From the start of Year 11 we would like to provide students with resources that they can use over the next year and can offer a selection of revision guides at very reasonable prices:

- 1) Edexcel Revision Guide for the Grade 9-1 course. This book will provide vocabulary and grammar for all the topics being covered in the course along with examples of exam style questions and answers.
Price £2.55.

- 2) Edexcel Exam Practice Workbook for the Grade 9-1 Course which contains questions to practise the information from the Guide. It also includes translation tasks which now appear on both the Reading and Writing papers that students will be completing as well as question instructions in French so that students can familiarise themselves with the instructions they will see on their papers.
Price £2.55.

- 3) Target 5/9 Reading & Writing books. These books help students practise key skills for success in the Reading and Writing Papers and include exam style questions and model answers.
Price £2.05 each

If you are interested in buying any of these books for your son/ daughter, please use the ParentPay system and send the completed slip attached to Mrs Brainwood in L1, clearly indicating which books you wish us to order on your behalf. The deadline is Friday 13th July so that I can place the order before the summer holidays.

Yours sincerely
