Message From the Principal

Team Rushden - United we stand, divided we fall

Good afternoon

Another productive week for Team Rushden. This week we took some of our y11 pupils to Cambridge University to inspire them, they thoroughly enjoyed the experience; it was good to see this being tweeted last night. We certainly live in a central area with so many top universities on the doorstep.

Principal's Message Continued...

On Monday 8th October it will be one of the many highlights of the school year. We will be opening our doors to welcome prospective year 6, and even year 5 pupils, and their families to Rushden Academy. Many of our current year 7s are eager to share their experience to date and help on

the evening, which is very much appreciated. Thank you for supporting this event, can you please collect your son/daughter from the library at 8.15pm and ensure they return the written consent form. I am really looking forward to sharing Team Rushden's successes especially or summer's great examination results and showcase how the school has transformed. I am also looking forward to sharing all of the opportunities we have here. Staff work tirelessly to ensure they deliver the best education, you will be able to see this in action and you will also be able to see how we care for our environment.

Next Thursday year 11 pupils will be attending the TENC sixth form evening at Ferrer's school on behalf of all three schools, *Three Schools One Vision of Excellence*. Our offer is second to none and I am thrilled to see so many of our pupils returning year on year. There is an excellent video show casing the TENC experience, this will soon be published on Rushden Academy's website. We are a good sixth form with good outcomes, no wonder 70% of last year's year 11 returned, I am so pleased to hear that every ex-year 11 pupil is accounted for and 100% of our pupils have secured some form of education, employment and/or training. This is another statistic that beats the national picture. Recently three of our current y12 students, who had gone elsewhere, have swiftly returned to join TENC commenting that they get a good education here. Absolutely!!

Kind regards

Mrs J Burton
Principal

Who's New to Team Rushden

Name: Mrs G Bowers

Date joined Team Rushden: July 2018 - but trained from September 2017

Faculty/ job role: Teacher of History

About me: I've wanted to be a history teacher since I was at secondary school. To accomplish my dream I attended TENC and then Brunel University where I studied history.

My interests outside of school (we do have lives outside of school) include; spending time with my husband, listening to country music, watching American football, holidaying in the USA (dancing to country music and catching an American football game) and looking after my mother-in-laws 2 miniature sausage dogs.

Name: Mr A Malden

Date joined Team Rushden: July 2018 - but trained from January 2018

Faculty/ job role: Teacher of History

About me: I teach history and love reading about ancient battles, I own 7 Christmas jumpers and I'm vegan for the animals.

I also enjoy working with Mrs Bowers who keeps me organised!

Sports News

This week the Year 9 boys tried to make it three wins in a row, when they visited Sir Christopher Hatton school who themselves were in great form. With a few players missing, the boys put in a good performance but ultimately fell short, losing the game 3-0. We look to get back to winning ways next week to keep the title challenge alive.

In netball, a mix of year 9 and 10 girls welcomed Huxlow and Weavers to Rushden Academy and continued to impress with their positive attitudes and willingness to support and encourage each other. Unfortunately they lost both games but again left with massive smiles on their faces.

Please look at the extra-curricular board next to the sports hall to see the range of activities in which we offer!!!

World Mental Health Week

The theme for World Mental Health Day this year (week commencing 8th October) focuses on challenging stigma around mental health. To raise awareness on this subject we are asking students to 'wear something yellow' on the day of their year group assembly and to bring in yellow cakes and buns for Wednesday 10th October for a cake sale during morning break to raise money for Young Minds.

The rota for wearing yellow is as follows:

- ◆ Mondays - Year 11
- ◆ Tuesday - Year 10
- ◆ Wednesday - Year 8
- ◆ Thursday - Year 9
- ◆ Friday - Year 7

This is not a mufti day, students choosing to support this campaign can wear yellow scarves, socks, earrings, jewellery, head bands, wear yellow nail varnish...in other words, it's adding yellow accessories to the uniform!

Many thanks for your anticipated support

MFL News

Our trips to France (12th July 2019) and residential to Boppard (October 2019) are now nearly full, we have a few spaces available if anyone is still interested.

Year group winner for Target language this week was Year 8 so well done for knocking Year 7 off the top spot!

Each week we enjoy choosing our students of the week and there really are so many to choose from. The ones who stood out to use last week for effort and attitude to learning are:

Year 7 Corey Jaden-Hills

Year 8 Jamie Rooksby

Year 9 Niamh Curson

Year 10 Charlie Baciú

Year 11 Tyler Walsh

We have also welcomed Edouard to the MFL team this week as our language assistant. Edouard will be with us until the end of May helping our students with their French skills – more from him next week.

And a reminder that every lunchtime in the Languages Hub we have a variety of activities including games, music and French films. Students from all year groups are welcome to bring their lunch along and join in.

Reminder of the Sixth Form Dress Code

Not wearing a prescribed uniform is a privilege that brings certain responsibilities. We ask and expect that our students dress smartly and appropriately for a place of work. They are role models across all the schools and need to set an example to younger students across the three TENC schools. Sixth Form students are expected to dress smartly with no extremes of fashion, hair colour or piercings. The following do not form part of the dress code and should not be worn.

- Tracksuit bottoms
- Bare midriffs/Crop tops
- Shorts
- Ripped jeans/trousers. Hipster jeans must preserve the bounds of decency
- Hats or caps indoors
- Inappropriate logos or slogans on T-Shirts
- Vest tops. However, a sleeveless dress or blouse is acceptable
- Blouses must not be revealing
- Beach wear, including rubber/plastic flip-flops
- Excessively short skirts or dresses
- Studded neck-chains/bracelets
- Leggings that are not under a dress or skirt, bottoms must be FULLY covered

Appropriate footwear must be worn: there are health and safety issues in certain areas of the school especially, but not exclusively, in science, food technology and DT

Year 11 Visit to Pembroke College, Cambridge

On Thursday 5th October, a group of Year 11 students from across the three TENC schools of Ferrers, Huxow and Rushden were privileged to be invited to a Taster Day at Pembroke College, Cambridge University.

It was a fabulous day, aiming to showcase both Pembroke College and Cambridge as a world class university. As well as presentations on the courses on offer and top tips on the application process, the students were given a tour of the college by second year maths student Josh. Not only were they overwhelmed with just how "normal" he was,

but also with the beauty of the college and its wonderful old buildings.

After a memorable lunch in the Great Hall, was an interactive lecture on linguistics, delivered by a PhD student. It gave everyone a real insight into what a Cambridge seminar would be like and our students did us proud - really getting to grips with the academic challenges posed and answering really hard questions with enormous confidence and skill!

Here are some of the comments they came up with on the way home:

"It was such a wonderful experience. I have never been to Cambridge before and it really opened my mind to the options open to me"

"It was a great day"

"I really enjoyed the day - it completely changed my perception of Cambridge. It was beautiful"

"the food was amazing"

They were a great group of students who are now setting their sites on outstanding achievement at GCSE and beyond.

EMWPREP privacy notice

If your child/dependant is taking part in a Higher Education Provider outreach or recruitment activity, to ensure this and any further activities they take part in are useful, effective and reaching the right young people, we need to gather certain information (including information about your child/dependant's ethnicity and disability) which will be analysed and used by the East Midlands Widening Participation research and Evaluation Partnership (EMWPREP) and associated partners for research purposes only.

EMWPREP is a collaboration of Midlands-based Higher Education providers that offers a targeting, monitoring and evaluation service for the outreach initiatives delivered by each partner. Detailed information on EMWPREP and how we collect and use the data can be found at: www.emwprep.ac.uk/data-sharing-policy.

For research purposes we may share the data held on this form with one or more of the following receiving organisations:

- partner Higher Education providers in the Midlands
- your child/dependant's school or college
- your child/dependant's school or college's Local Authority
- third-party activity providers working with partner Higher Education providers in the Midlands, and
- third party data processors working with partner Higher Education providers in the Midlands

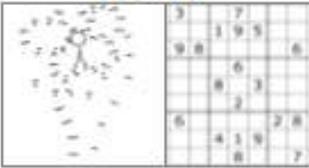

EMWPREP and the receiving organisations may then link data from this form to additional educational data about your child/dependant (including Department of Education attainment data held on the National Pupil database. ILP records, UCAS record and/or HESA student records). We may access data and use it to monitor the impact of our activities.

Any personal data we collect will only be share with the partners mentioned above. All research publications will be anonymised so individuals cannot be identified and the data will not be used for any other purpose. Data will be processed in accordance with the relevant data protection legislation. Members of the Pathways Consortium will rely on either 6(1)(e) or 6(1)(f) according to their interpretation of the regulation. This will be clarified as soon as clear guidance emerges from the ICO. TARGET

SPEAK OUT. YOU'RE NOT ALONE!

Service Six TARGET project engaged 1001 young people, 525 of whom were disadvantaged. All resided in Northamptonshire or Leicestershire and were aged between 1 and 21 years of age, with most between 9 and 17 years. 799 young people responded to semi-structured questionnaires and they told us:

- 27% are regularly contacted online by strangers
- 30% have received pornography involving them
- 26% have had pornography
- 19% have been asked to meet strangers
- 6% have met strangers
- 32% reported to an adult

Furthermore disadvantaged young people are:

- 6% more likely to receive sexually explicit images or videos
- 6% more likely to send out sexually explicit images or videos
- 27% more likely to send out sexually explicit material willingly
- 27% less likely to report unwanted stranger contact and/or receipt of sexually explicit material to an adult

If you feel you are being Targeted go to the app store and find our app **TARGET**

This app can give you support advice and tips which are full in graphics and video clips.
