Team Rushden - United we stand, divided we fall

Dear Parent / Carer

We are thrilled that Adrian Winkle, our new Parent Governor has been elected as the local Mayor, we wish him every success in this role and look forward to working with him at Rushden Academy.

This week we had a visit from Northamptonshire Police who have joined a national campaign to tackle knife crime. As you are probably aware, knife crime is a matter of priority for the Police, and this is something that we as a school are happy to support to protect our children and to prevent any tragic knife crimes.

In the academy's behaviour policy it clearly states in the serious breaches section that prohibited items include:

- Knife/penknife or items that could be used as a weapon and not their intended purpose and any type of gun, including toy guns and replicas
- Harmful or illegal substances, including tobacco, matches and lighters, drug paraphernalia, psychoactive substances and vaping products
- Alcohol
- Stolen items
- Tobacco and cigarette papers
- Fireworks
- Pornographic images

We are highly vigilant and will never lower our guard. Thankfully, we do not have a problem but you can never be complacent, so please do talk to your children about making sensible choices and if you have any concerns please do contact the school.

Message From the Principal Continued

This week's action coincides with the visit of the iconic 27ft tall Knife Angel statue to the county. The statue has been made from 100,000 confiscated and handed-in blades and is on display in Willow Place, Corby Town Centre until 30 May. You can book to see the Knife Angel this Saturday 21st May on the Eventbrite link: <https://www.eventbrite.co.uk/e/335720397747>

Finally, we have secured a significant amount of funding (well over half a million pounds) to improve the exterior of the English block. This will help to insulate the building so we don't have to deal with extreme temperature fluctuations. The work begins on Thursday 26th May and will continue into September.

The impact of this means that any lessons in the English block will be moved and we will no longer be able to accommodate dropping off your children. Please can you therefore drop your children off on the Hayway with effect from Thursday 26th May until further notice. Apologies for the inconvenience but hopefully it will be very worthwhile! We will also be writing to the neighbours to explain what the plans are and to apologise for any disruption caused.

Thank you for reading this week's newsletter, do take care.

Mrs J Burton
Principal

Library Update

They are here!!! We are always so excited in the library when we get a delivery of new books! But this time we are even more excited than usual, as these are the books that were bought with the money raised by the Library Ambassadors using their great team work skills to organise a Tuck Shop and also our very generous donation from Aircare in Corby.

Many of the titles are to complete a series & some are replacements for lost or damaged books. Also we managed to purchase a couple of complete series to encourage some of our more reluctant readers to try something new. There are already students eagerly waiting for the books to be ready for issuing.

The books will be ready to be issued after the half-term holiday.

Carmel S, Harvey P, Emily P, Mia F & Hayden W, are our Library Ambassadors who are very proudly showing off all of the amazing new books that we have purchased from their fund-raising efforts.

We here at Rushden Academy are very proud of all of their help with running the library.

Thank you again to all of the staff at Aircare in Corby for their very generous donation.

Happy reading!

Year 9 Rounders Tournament

On Tuesday evening we took a team of Year 9s over to Sir Christopher Hatton School to play in their Rounders Tournament.

We played our first game against Wollaston School and although the girls started off a little nervous and apprehensive they grew into the game and batted extremely well but just lost out by half a rounder!

In the second game we played against Huxlow and the girls were impressive but lost out marginally again by half a rounder.

Determined to win the next one we played against Manor and the girls batting was exceptional and they won convincingly 9 - 5 and a half.

With a spring in their step they went to the next and final game against Hatton and again, batted well and won 6- 4 and a half.

We were extremely proud of the girls efforts and how well they progressed through the tournament. They played extremely well as a team and represented the school impeccably. Well done girls!

We have several more Rounders fixtures coming up for all the year groups so if you would like to get involved, then Rounders Club is on Wednesdays after school, would be great to see you there!

Knife Angel visiting Northamptonshire

The Knife Angel, a National Monument Against Violence & Aggression is currently based in Corby. Taking over 2 years to complete, and using 100,000 knives from amnesties and surrenders, the Knife Angel now tours the country, helping to bring attention to the issue of knife crime and the affect it has on both perpetrators and victims.

For more information about the Knife Angel Project, have a look at their [website](#).

The Knife Angel is currently in Corporation Street, Corby, NN17 1NJ and can be visited there till 29th May.

The Corby campaign is being directed by the following ethos/vision:

HOPE – Every young person should be given the chance and opportunity to have an aspirational future, and be able to turn their life around if they have experienced violence and exploitation.

UNITE – Agencies and the community working together to prevent and stop all forms of violence and aggression and promote respect and diversity across all communities and cultures.

HEAL – Taking time to remember those who have experienced violence and aggression, supporting individuals, families and communities shattered by violence and working together to rebuild and move forward.

Performing Arts Update

Drama

Year 12 BTEC Performing Arts students have been exploring the unit 'Acting Styles' where students have been looking at the style of naturalism and how they perform an extra in a naturalistic style. Students have been exploring the play 'Punk Rock' in a method to immerse themselves into the characters. Students performed scenes from the play showing features of the style of 'Naturalism'

Dance

KS3 students attend a weekly dance club every Friday in the main hall. During the extra curricular club, Miss Pilgrim and students collaborate to compose dance routines with focus upon expression. The club gives students the opportunity to nurture their individual talents and this term students have been working towards a performance for Rushden's Got Talent.

Music

Year 9s have been working hard on their independent projects this week. Performers have selected songs of their choice and are practicing hard, working through the music and focusing on ensuring that their performance sounds accurate to the original piece. Students that have chosen the composition route have been given a selection of briefs to work to covering a vast array of styles. Students can choose to compose a comedy, romance or horror piece designed for a film, a rock or pop song, or a piece in the style of drum and bass. Many of our students have opted to go down the drum and bass composition route and are working hard matching up loops and recorded sound to ensure they blend into a coherent piece of music.

Performing Arts Career of the week: Screen Writer

Screenwriters prepare their script in a way that enables readers to envisage the setting, emotion and the way it will work on screen. They collaborate with producers, directors and actors to draft and redraft their script, often working to tight deadlines.

Average Salary: £31,657

For any students that are interested in taking up instrument lessons this term - please get in touch with Mrs Brooks! We currently offer string, piano, guitar, drum and singing lessons but if you are interested in other instrument please let us know and we will try and source the provision!

Why a boy band? Jamie - It's our last year and we wanted to go out with a bang and its funny ennit

Who would you compare yourself to? Ollie - We have taken inspiration from different boybands but there's no one like BOYZ IN A B4ND. If you don't believe us buy a ticket and see for yourself!

What's been your biggest challenge? Cam - Choreographing for sure!!! Singing and dancing at the same time is pretty difficult and takes a lot of rehearsal. We also need to make sure we keep the energy up throughout the performance.

How have you fit in rehearsing with exams? I don't really stress a lot about exams, I feel as I am good at performing arts so it comes quite naturally too me. I've coped with it quite well!

Performing Arts Update Continued...

We can now Announce our Musicals for the next academic year

As a Performing Arts Faculty we are very pleased to announce our musicals for the next academic year. Our KS3 musical 'Matilda' was a huge success and we can't wait to bring the KS3 musical back next year! Legally Blonde being our first musical back since 2019 we are so excited to be planning for future productions, including next years whole school musical!

KS3 Musical

Bugsy Malone follows the rivalry between two street gangs and the washed up, well intentioned, one-time boxer who steps in to take control of Fat Sam's gang and give Dandy Dan and his boys what they've got coming. The message is one of good, clean fun; the characters are wonderful cartoon cut outs; and the weapons of choice are "splurge" whip cream guns, flour bombs, and custard pies.

Whole School Musical

Chicago is a dazzling and satirical look at fame, justice, and the media machine. Set in 1920s Chicago and based on real-life murders and trials, Chicago follows Roxie Hart, a wannabe vaudevillian star who murders her lover and is arrested, despite her attempts to convince her pushover husband, Amos, to lie for her. In the Cook County Jail, Roxie meets her hero, the famed double-murderess and nightclub performer Velma Kelly. When both acquire the same lawyer, the greedy and lustful superstar, Billy Flynn, tensions come to a head as they vie for the spotlight.
