Team Rushden - United we stand, divided we fall

Dear Parent / Carer

As the final week of the term draws to a close - and with the half term break imminent - there is still plenty to share from another action-packed week at Rushden Academy.

With it being the final week of the term, Mr Smith led rewards assemblies for all year groups to celebrate both individual successes and collective achievements. It was lovely to hear form tutors justify the reasons for choosing their tutees of the term with lots of wonderful things being said about each individual. In addition, it was great to see Ms Raven handing out a number of certificates and star badges to students who have read over a million words since September.

Our Year 9 students were all given the opportunity to participate in some careers workshops organised by Miss Ridley via our Ethos Team. We welcomed Vince, from the Grace Foundation, into school who led the workshops and got students to explore the importance of communication skills. They looked at all different types of communication and did various exercises to practise and develop their own skills. The aim of these sessions is to increase the students' employability skills to increase their chances of being able to pursue the career they are interested in most.

Year 11s spent the week completing their final lesson in all of their subjects ahead of their mock examinations which will take place immediately after the half term break. These examinations are another opportunity to test their strengths and weaknesses and receive detailed feedback from teachers on topics and skills which they will need to prioritise for revision ahead of their final examinations in May. Mr Bocking will be leading an assembly for all Year 11 students on the first Monday back to go through the mock timetable and provide them with final guidance and advice ahead of the examinations.

Our Year 11 dance and drama students also completed their final practical examinations this week and I know many of them had worked exceptionally hard in preparing for these. I look forward to seeing their practical grades following these performances.

A small number of Sixth Form students will be embarking on a trip to India this weekend and will be visiting various tourist sites as well as undertaking charity work in conjunction with Salt of the Earth. This is a fantastic opportunity for our Sixth Form students and I look forward to hearing all about their visit upon their return.

Message From the Principal Continued...

Finally, I wanted to talk briefly about our Team Rushden value of respect. We work hard to promote respect at all times and a large part of this is about ensuring good manners around school. It costs nothing to say please and thank you but ultimately makes the school a much more pleasant place for staff and students alike. The significant majority of students demonstrate excellent manners on a daily basis but where students fall short of these expectations, please support us in reinforcing the importance of good manners at home. Equally, never underestimate the importance of sitting down with your children to have dinner as a family in the evening which sadly seems to be on the decline in today's world, for many reasons.

Whatever your plans next week, I would like to wish you all a restful and peaceful break.

Yours sincerely,

Mr B Baines
Principal

UK Intermediate Maths Challenge

Sixty of Rushden Academy's year 9 and 10 students have represented the school again in the Intermediate UK Maths Challenge this year. The challenge is a national competition which took place on the 31st of January and the results are in!

In year 9 a big congratulations goes to Aiden who brought home a silver award as well as the Best in School certificate. Aiden has qualified for the Kangaroo challenge which is the follow up round and takes place at the end of March.

Congratulations also goes to our other Silver award winner Joseph.

Our Bronze award winners in year 9 were William, Royal, Daisy, Harry and Marcin.

Our Bronze award winners in year 10 were Harry, Artur, Rhys, Leo, Freddie, Joshua, and Alexander.

Well done to all of those who took part in the challenge.

Lost Property

Please remind your child to check in reception if they have lost anything. We have a selection of items that need to be claimed.

Any items left unclaimed for 6 weeks are donated to our internal uniform stores or local charity shops.

Northamptonshire Children's Trust Transitions

Have you recently separated from your partner and you feel that your child is 'caught in the middle'?

Are you experiencing problems with your extended family, your new partner or your ex?

Do holidays and birthdays cause arguments?

If this sounds familiar, Family Transitions Triple P can help.

Our transitions programmes gives you new ways to help protect your child – and yourself – from the fallout from a family split.

We have programmes starting soon at:

Newton Road Children's Centre, Rushden, 9.30am-11.30am, Friday 23rd February until 22nd March

This Week in Food Technology

Pancakes

This week we have been making pancakes and eating them in class.

I have had a count up, and by the end of Friday we will have made, tossed and eaten over 1,000 pancakes. That's a lot of flippin'!!

The choices of syrup toppings have been very popular – Chocolate, Salted Caramel, Strawberry and Sicilian Lemon. And of course whipped cream. Some choose to add to the experience with fruit and biscoff.

Wellbeing Wednesday

Wednesday, after school, staff had a chance to come in and use the food room to cook up some Valentines Day treats to take home. On the menu were lemon cheesecakes, chocolate brownies and a fruit crumble.

Recruitment Event Thursday 14th March 2024

We warmly invite you to visit our 'Good' school, Rushden Academy. Be part of the success story and witness first-hand how Team Rushden collectively works hard to meet the high expectations we set.

Rushden Academy is part of Tove Learning Trust (TLT) along with several other local secondary schools in Northamptonshire and Milton Keynes. We are well supported by the TLT and there is an excellent opportunity to collaborate and develop professionally.

We are proud of our wrap around pastoral care and the curriculum opportunities we have available for our pupils. The extra-curricular provision is wide and varied and we actively promote the personal development of all our students. We offer a varied CPD programme for our staff and aim to grow our own by succession planning, and providing varied development opportunities to meet needs.

Team Rushden aims to communicate effectively; we produce a weekly parent bulletin to ensure our community is fully aware of what is happening across school. Reading through these you soon get a strong sense of our values and purpose. Our website offers further insight into what our school is all about, but do come and see for yourself what Team Rushden has to offer.

We are opening up our school to teachers at all stages of their careers on the morning of Thursday 14th March.

We will talk you through our vision and values, offer a tour of the site and the opportunity to meet with staff and students for an insight into 'life at Team Rushden'.

National Space Academy Visits Rushden Academy

Last week, some of our year 10s were lucky enough to take part in a space-themed workshop with Robin from the National Space Academy.

They made rockets, learnt about space exploration and a couple of them even got to wear a real-life space suit!

Each week the MFL department chooses one of its Stars of the Week to showcase.

This may be for producing a particularly impressive piece of work, making excellent progress, having great attitude to learning or otherwise representing one of the Team Rushden values.

Phoebe

You have worked so hard in German, showing great resilience and a positive "can do" attitude, especially as you had missed some of the previous units. Well done!

How to Access Go4Schools

Go4Schools is the online system that Rushden Academy uses to track student attendance, student progress and student behaviour.

Students and parents can access this at home to keep up to date, by checking timetables and behaviour events. Student progress reports will be published through Go4Schools 3 times a year.

Please follow the instructions below to access Go4Schools.

Student access to Go4Schools

- ♦ Go to the Go4Schools student access page (on the top right of the Go4Schools home page)
- ♦ Type in your school email address in the first time user box (your computer login in followed by @Rushden-academy.net)

First-time User?

If you haven't logged on to GO 4 Students before, type your email address and click the "please send me a password" button.

Email address:

Please note, if you are having problems with your password please contact your school. For Data Protection reasons we are unable to divulge or set passwords for students ourselves.

Please send me a password

- ♦ This will send you an email link with your password
- ♦ Login with your new password

Parental access to Go4Schools

- ♦ Go to the Go4Schools parent access page
- ♦ Enter your email address (the one Rushden Academy contacts you on) in the first time user box
- ♦ This will send you an email link with your password
- ♦ Login with your new password

If you haven't received an email in 5 minutes, please double check you have your email typed in correctly and ask them to send the password again. If you have any problems accessing Go4Schools do not hesitate to contact the academy.

You also have access to the Go4Schools app that can be downloaded from the Apple Store or Google Play.

Mr P Bocking
Assistant Principal

Are you looking for a career change? Are you interested in training to teach?

Rushden Academy has a proven track record in successfully supporting trainee teachers on programmes leading to QTS. Many of our staff, past and present, have been trained at the school and an even larger number have completed main placements and second placements here before securing teaching jobs elsewhere.

As a school with a strong and successful record for training new teachers to the profession, Rushden Academy works closely with School Centered Initial Teacher Training (SCITT) providers to provide fully supported and mentored school placements on a variety of routes.

If you are interested in a new career or are looking for more information about routes into teaching, then please contact Gail Brainwood, Assistant Principal on 01933 350391 or by email: g.brainwood@Rushden-academy.net
