Team Rushden - United we stand, divided we fall

Dear Parent / Carer

It is always a pleasure to welcome the students back after any break and this week was no exception. I have had lots of conversations with many different students about what they spent their half term doing.

With it being the start of a new half term, I led the assemblies for all year groups and the theme was 'Making time count.' We started by talking about Leap Years but the main narrative was about time being our daily currency. I shared concepts from a film called 'In Time' where every member of society has a body clock and how they have to earn time through work as well as paying for everything with specified amounts of time. We talked about how everyone has a finite amount of time in their life, that there are just 1400 minutes in a day, and how to prioritise that time for the important things in our lives. I finished the assembly by sharing some of the incredible wonders of our planet with a view to inspiring students to want to go and see them first hand in later life; every person needs a little awe and wonder in their lives.

A number of our Year 13 students travelled to India with Mrs Owen during half term to undertake some work with the charity, Salt of the Earth. The photos from the trip are amazing but equally emotional after seeing some of the poor conditions people are having to live in out there. The students all got a huge amount out of the trip and Mrs Owen is already looking at providing a similar opportunity for our current Year 12s, next year.

Year 11 students have been completing mock examinations all week which will provide them with an important update on how they are progressing ahead of the final exams in May and June. All Year 11 students should be revising daily at this point and their teachers will be providing them with specific feedback following the mock examinations on which areas or skills they need to practise.

Next week, Year 9 students will have the opportunity to undertake some 'taster' sessions for the course they are thinking of choosing next year. This will give them an important insight into whether the subject is a suitable choice for them whilst also providing them with an overview of the content they will cover if they choose the course.

Message From the Principal Continued...

The highlight of the week for me was the work of the Social Action Squad who started a new community reading project. Under the careful guidance of Mrs Bird and our Ethos Team Youth Worker, Rosie, two squads of students walked to Denfield Primary School and spent the morning helping the primary school students with their reading. Reading is such an important skill and it warms my heart to see our students giving up their time to help the future generation learn to read. The positive correlation between a high reading age and academic success is irrefutable and so I wanted to share the following clip sent to me by our fantastic Librarian, Ms Raven, if you can spare just 2 minutes of your time to watch it: [Ten minutes a day could change everything](#)

I hope you all have a pleasant and restful weekend,

Yours sincerely,

Mr B Baines
Principal

Welly Boot Donations Needed!

Rushden Academy SAS needs your wellies!

Do you have any wellies that your family have outgrown, but are still in good condition?

The SAS are looking for donations to help keep our feet clean while we work on our gardening projects!

Please bring your unwanted wellies to the Ethos Room where they will be given a lovely new home!

Recruitment Event Thursday 14th March 2024

We warmly invite you to visit our 'Good' school, Rushden Academy. Be part of the success story and witness first-hand how Team Rushden collectively works hard to meet the high expectations we set.

Rushden Academy is part of Tove Learning Trust (TLT) along with several other local secondary schools in Northamptonshire and Milton Keynes. We are well supported by the TLT and there is an excellent opportunity to collaborate and develop professionally.

We are proud of our wrap around pastoral care and the curriculum opportunities we have available for our pupils. The extra-curricular provision is wide and varied and we actively promote the personal development of all our students. We offer a varied CPD programme for our staff and aim to grow our own by succession planning, and providing varied development opportunities to meet needs.

Team Rushden aims to communicate effectively; we produce a weekly parent bulletin to ensure our community is fully aware of what is happening across school. Reading through these you soon get a strong sense of our values and purpose. Our website offers further insight into what our school is all about, but do come and see for yourself what Team Rushden has to offer.

We are opening up our school to teachers at all stages of their careers on the morning of Thursday 14th March.

We will talk you through our vision and values, offer a tour of the site and the opportunity to meet with staff and students for an insight into 'life at Team Rushden'.

To find out more or register attendance please contact Mrs Gail Brainwood

Rushden Academy SAS

SAS This Week

We started a new project this week - being reading buddies to students at Denfield Park Primary School.

The students had a brilliant time reading with their new partners, and did Team Rushden proud with their kind, respectful, enthusiastic attitudes.

We can't wait to go back and continue developing our link with Denfield.

Well done Reading Squad 1!

#TeamRusden #RASAS #Ethos #GraceFoundation

Rushden Academy's Social Action Squad's (SAS) are always looking for opportunities to help within the community. If you know of anywhere we could help or support please let us know. We are looking for one off opportunities, short term commitments and long term projects.

To contact the Social Action Squad, email socialactionsquad@rushden-academy.net.

Mindful March

Have a look at Action for Happiness' calendar for March. Will you try any of the ideas?

Monday	Tuesday	Wednesday	Thursday	Friday	Saturday	Sunday
				1	2	3
				Set an intention to live with awareness and kindness	Notice three things you find beautiful in the outside world	Start today by appreciating your body and that you are alive
4	5	6	7	8	9	10
Notice how you speak to yourself and choose to use kind words	Bring to mind people you care about and send love to them	If you find yourself rushing, make an effort to slow down	Take three calming breaths at regular intervals during your day	Eat mindfully. Appreciate the taste, texture and smell of your food	Take a full breath in and out before you reply to others	Get outside and notice how the weather feels on your face
11	12	13	14	15	16	17
Stay fully present while drinking your cup of tea or coffee	Listen deeply to someone and really hear what they are saying	Pause to just watch the sky or clouds for a few minutes today	Find ways to enjoy any chores or tasks that you do	Stop. Breathe. Notice. Repeat regularly	Get really absorbed with an interesting or creative activity	Look around and spot three things you find unusual or pleasant
18	19	20	21	22	23	24
Have a "no plans" day and notice how that feels	Cultivate a feeling of loving-kindness towards others today	Focus on what makes you and others happy today	Listen to a piece of music without doing anything else	Notice something that is going well, even if today feels difficult	Tune in to your feelings without judging or trying to change them	Appreciate your hands and all the things they enable you to do
25	26	27	28	29	30	31
Focus your attention on the good things you take for granted	Choose to spend less time looking at screens today	Appreciate nature around you, wherever you are	Notice when you are tired and take a break as soon as possible	Choose a different route today and see what you notice	Mentally scan your body and notice what it is feeling	Discover the joy in the simple things of life

Performing Arts Update

Drama:

Year 7 have started learning about physical theatre and the style of using your body as a tool to emphasise theatre. We have been exploring using our bodies to create shapes and letters. The year 7s have been focussing on accuracy and using their bodies precisely in order to depict words. They will continue looking at physical theatre in the coming weeks and developing their movement skills.

Dance:

It's a new term with new KS3 dance topics! Year 7s will be exploring movements inspired by secret agents in which they have shown great enthusiasm towards the routine that will be taught in the coming weeks.

Year 8s will be continuing with exploring contemporary dance techniques. This term the students will be performing using a prop and applying characteristics of guards and prisoners.

Year 9 students have been introduced to the style of Hip-Hop. This week's lessons have focused on exploring the 'Old Skool' hip hop movement. Students will use these foundation movements to create their own routine next week.

Music:

Year 7 have been developing their skills on Bandlab this week, with their introduction to remixing a classical music piece- Pachelbel in Canon D. The students were very excited to start work on their remix and have begun to layer the classical melody and record it on Bandlab. They will later be choosing a remix genre and adding sound effects and changing the dynamics of the original piece.

Year 8 has been introduced to music for the media this term. They have been exploring the music and melodies used in adverts and the effect they have on the target audience. Year 8 have begun creating music for a sports app advert and exploring the tempo needed to fit the product. We look forward to hearing from them next week!

High School Musical: School Edition

The cats have been working closely with Mr Foreman on the musical numbers. There have been Thursday rehearsals focussing on the singing within the show. It has been brilliant to see the cast really pushing themselves to perform and making sure that the musical numbers are at their full potential. This week sees the cats finishing Status Quo and Auditions which is a big achievement!

We Will Rock You Musical

The cast have been working on their singing skills as well, as well as choreographing *It's A Kind Of Magic*. The show has many complex numbers, singing and dancing, and the cast have worked very hard to complete what they have so far. They will continue with this next week and start bringing the show together.

How to Access Go4Schools

Go4Schools is the online system that Rushden Academy uses to track student attendance, student progress and student behaviour.

Students and parents can access this at home to keep up to date, by checking timetables and behaviour events. Student progress reports will be published through Go4Schools 3 times a year.

Please follow the instructions below to access Go4Schools.

Student access to Go4Schools

- ♦ Go to the Go4Schools student access page (on the top right of the Go4Schools home page)
- ♦ Type in your school email address in the first time user box (your computer login in followed by @Rushden-academy.net)

First-time User?

If you haven't logged on to GO 4 Students before, type your email address and click the "please send me a password" button.

Email address:

Please note, if you are having problems with your password please contact your school. For Data Protection reasons we are unable to divulge or set passwords for students ourselves.

Please send me a password

- ♦ This will send you an email link with your password
- ♦ Login with your new password

Parental access to Go4Schools

- ♦ Go to the Go4Schools parent access page
- ♦ Enter your email address (the one Rushden Academy contacts you on) in the first time user box
- ♦ This will send you an email link with your password
- ♦ Login with your new password

If you haven't received an email in 5 minutes, please double check you have your email typed in correctly and ask them to send the password again. If you have any problems accessing Go4Schools do not hesitate to contact the academy.

You also have access to the Go4Schools app that can be downloaded from the Apple Store or Google Play.

Assistant Principal

Are you looking for a career change? Are you interested in training to teach?

Rushden Academy has a proven track record in successfully supporting trainee teachers on programmes leading to QTS. Many of our staff, past and present, have been trained at the school and an even larger number have completed main placements and second placements here before securing teaching jobs elsewhere.

As a school with a strong and successful record for training new teachers to the profession, Rushden Academy works closely with School Centered Initial Teacher Training (SCITT) providers to provide fully supported and mentored school placements on a variety of routes.

If you are interested in a new career or are looking for more information about routes into teaching, then please contact Gail Brainwood, Assistant Principal on 01933 350391 or by email: g.brainwood@Rushden-academy.net
