

## Community Education ~ Adult Education Volunteer

We need volunteers to lead interactive workshops that teach First Aid and encourage kind, resilient and inclusive communities who can recover from adversity.

If you have previous experience that's great, but we shall provide full training and support if you are interested.

## Do you have what it takes to be an adult education volunteer?

- Lead interactive humanitarian education workshops for adults.
- Help plan sessions and prepare resources.
- Evaluate workshops using simple feedback methods.
- Learn new skills and look after training resources.
- Give feedback to improve our education products and workshops.

Our workshops aim to increase empathy as well as giving people the skills to cope and confidence to act in an emergency.

You will have the opportunity to make a real difference in people's lives, helping them learn vital skills whilst meeting new people and being part of a supportive and inclusive team.
