

11th July 2018

Ref:PB/sa

Dear Parent/Carer,

Re: Go4Schools

Many of you will already know that we have started to use Go4Schools to record and report attendance and progress. We are now ready to give parents/carers electronic and live access to the system to give detailed information about students with regards to their timetable, attendance, homework and progress.

We have attached a guidance document to enable you to login and see your son/daughter's information. If you log in now you will be able to see everything apart from homework and behaviour.

Homework will move from Show My Homework at the start of September and some behaviour data will follow shortly after and we will inform you when this will occur.

We are very pleased with the new system which is used across the Tove Learning Trust and hope that you will find it informative and it will enable you to track and support your son/daughter's progress. An app that will enable you to access Go4Schools from your phone is expected to be available next academic year.

If you have any problems when trying to set up your login or accessing the information please contact the academy on info@rushden-academy.net or call 01933 350391 and we will direct you to a member of staff that will be able to help you.

We are emailing this in the first instance, if you have received this in the post please contact us with an up to date email address as soon as possible.

Kind Regards,

P. Bocking

Mr P Bocking
Assistant Principal

Parental guide to Go4Schools

What is Go4Schools?

Go4Schools is an online data system which gives parents and students access to:

- Timetable – your son/daughter's daily and weekly timetable
- Attendance – shown from the start of the academic year
- Behaviour – your son/daughter's daily behaviour points (rewards and sanctions)
- Homework – the homework your son/daughter has been set and when it is due to be handed in
- Progress – a detailed look at your son/daughter's progress in each subject area
- Reports – your son/daughter's most recent school report

How to access Go4Schools

In order to log in to Go4Schools you need to visit www.go4schools.com and click on the 'parents' icon at the top right hand side.

Enter your email address in the 'first time user' section. This address must be the email Rushden Academy already has on file for you. If you have changed your email, or wish to use a different account, please contact info@rushden-academy.net with the new email information.

Once you have received your password from Go4Schools you can login. You can change your password by going to 'my settings'.

If you have more than one child at Rushden Academy, you can choose which to view on the next screen.

If you have forgotten your password use the 'forgotten your password' section. This will email the address registered a new password.

Welcome

Welcome to the GO 4 Schools login page for Parents and Guardians. If you have been provided with access by your child's school you can use GO 4 Schools to access their reports and to see their attainment, attendance and, for many schools, their behaviour records too.

Email address:

Remember my email address

First-time User?

If you haven't logged on to GO 4 Parents and Guardians before, type your email address and click the "please send me a password" button. (Please note that you need to provide an email address that has been registered in GO by the school(s) that your child/children attend.)

Email address:

Please note, if you are having problems with your password please contact your child's school. For Data Protection reasons we are unable to divulge or set passwords for parents ourselves.

Forgotten your Password?

If you have forgotten your password, you can reset it by entering your email address.

Email address:

Please note, if you are having problems with your password please contact your child's school. For Data Protection reasons we are unable to divulge or set passwords for parents ourselves.

Student profile

Once you have logged in you will see the page for your son/daughter. If you have more than one child in the school, you can select which child's page to view. You will be able to view your son/daughter's;
