Team Rushden - United we stand, divided we fall

Dear Parent / Carer

The NHS did vaccinate several pupils on Monday following parental consent and will be doing so again on 5th November. Please understand that this is an NHS directive and not instigated by the school. As numbers rise nationally please continue to ensure your children are taking tests and keeping you, themselves and the community safe.

Here is the latest information from the NHS:

Please be aware that the COVID-19 vaccinations (Session 2) for children aged 12 to 15 years of age will be commencing on 05.11.21.

If your child **DOES NOT** meet age requirements, your child **HAS** received the vaccine (Session 1 or externally) or you **DO NOT PERMIT** your child for the vaccine to be administered - Please ignore this information.

If you have permitted for your child to receive the vaccine via the e-consent form, please be aware of the following ready for 05.11.21:

- Please remind your child to eat breakfast before they arrive at the Academy
- Please remind your child that a facial covering will need to be worn when receiving the vaccine.
- Please remind your child that for **05.11.21 only**, they are able to wear their Rushden Academy PE Top to ensure their identified arm is easily accessible.

Please be advised that e-consent form is **only accessible for 72 hours from 14.10.21 (10am)** per the School Aged Immunisation Service guidance.

If you require any further information or support, or would like to discuss consent, please do not hesitate to contact the School Aged Immunisation Service on 0800 170 7055 Option 5.

If Covid cases increase significantly at school we may need to revert to wearing masks once more, but at present this is not the case.

Please enjoy reading this week's bulletin. Year 11 needs to pay particular attention to details of the up and coming mocks. They need to work with their teachers and prepare well for their mock exams in November by making the most of the half term break and making revision notes.

Principal

Learning For Life Day - 18th October 2021

The first 'Learning For Life' day of the academic year will be taking place on Monday 18th October with a focus on Personal Skills.

Year 7 students will be learning about Recognising Skills, Motivation, and Working Together

Year 8 students will be learning about Listening Skills, Written Communication, and Problem Solving

Year 9 students will be taking part in a workshop teaching them about Knife Crime, as well as learning British Sign Language, Interpersonal Skills, Team Work, and Verbal Communication.

Year 10 students will be learning about Workplace and Interpersonal Skills, and Time Management

If you have any questions prior to these sessions, or feel that your child may benefit from extra support, please contact your child's form tutor.

Year 11 TENC/Rushden Academy Application 2021-22 Timeline

It's the time of year when year 11 are thinking about their next steps and post 16 pathways. If you have any questions please contact Mrs Owen Director of KS5 – a.owen@rushden-academy.net

Take It Further - Up Next

This weeks session:

This week we had nearly 30 year 7 students building and launching their own rockets, much to the delight of younger children in Spencer Park who cheered every time a rocket was launched into the sky!

Students thoroughly enjoyed the experience and would like to thank Mr Blackshaw for his time. Those in years 8-10 who expressed an interest will be notified next half term when their session will be.

Sessions next week:

Monday 18th October - Advanced Chemistry (Yr10-11) in S6

- Careers talk by a Surgeon (all years) in Lecture Theatre

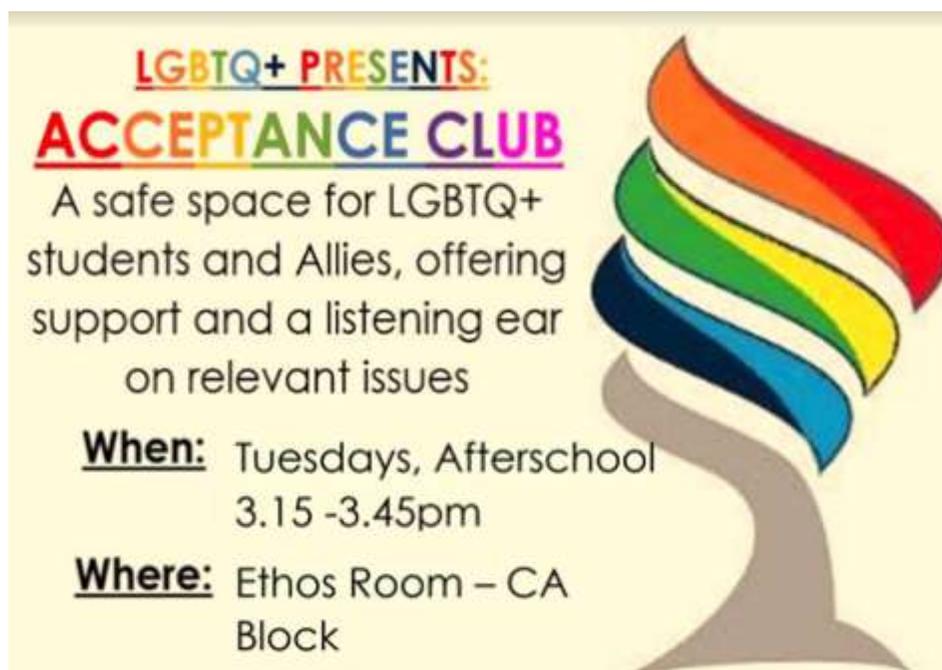

Wednesday 20th October - How to achieve high targets in English Language (Yr11) in E6

Eco Committee Update

Eco committee members old and new have now met and picked our three focus areas for the year of Biodiversity, Litter and Marine wildlife.

Year 8 will meet next week to create our first newsletter.

If any students from Rushden Academy 6th form would like to help the younger students with their project areas please contact Miss Wiles.

LGBTQ+ PRESENTS:
ACCEPTANCE CLUB

A safe space for LGBTQ+ students and Allies, offering support and a listening ear on relevant issues

When: Tuesdays, Afterschool
3.15 -3.45pm

Where: Ethos Room – CA Block

The poster features a stylized graphic of a rainbow flag on the right side, with the colors transitioning from red at the top to blue at the bottom, set against a light yellow background.

Duke Of Edinburgh Award

At the end of last year our current Year 10 pupils had the opportunity to sign up for The Duke of Edinburgh's Award. Many students took this chance and have begun their journey on the Award Scheme. Now that they are in Year 10, they have been working incredibly hard on the three main sections as part of the DofE. We have students currently completing many activities including:

- ◆ Baking
- ◆ Different Sports
- ◆ Jewellery Making
- ◆ Dance
- ◆ Music
- ◆ Leadership within Sport
- ◆ Assisting at a Charity shop

We are incredibly proud of our DofE team and cannot wait to see how they develop the wide variety of skills that will benefit them in the rest of their school life and beyond!

Here are some of the photos from two of our students, Ella W and Lucy O, who are enjoying learning how to bake varying foods. How professional and tasty do these look?!

Along with the jewellery that Amelia B has been making...how creative to include things we would just throw away!

MFL Update

This week we are pleased to share with you an article from our MFL Language Leader Charlie:

During the summer, I attended a classic car show with my family and we took our Rover P6. During the event, I noticed a peculiar looking car in amongst the others. When I approached it, I saw it was an old German car. After further inspection, I saw it was from East Germany (German Democratic Republic) and it was a police car! This was used before the fall of the Berlin Wall in 1989 in the communist half of Germany. It was driven by the Volkspolizei and doesn't look bad! You can clearly see the Communist Germany Symbol on it with sickle and hammer and a red, yellow and black design. It is a Trabant Wartburg and was relatively popular throughout the Eastern Bloc despite not being of very good quality due to slow economic development in the Soviet Union. This is the flag of the GDR:

There was even a man in the proper uniform:

6th Form Health & Fitness

Over the last 2 weeks we have had our annual visits from James and Shaun, owners of Chamber Health and Wellbeing in Northampton. As ex-military they know all about PTSD and mental health as well as fitness.

Last week they did a presentation to share their own personal journeys from being in the Army to starting their own business and the struggles they have had along the way. They also shared ways to improve resilience, determination and mental health and to encourage our students to be proactive in reaching out if they need to. This week they worked with all year 12 and some year 13 on the physical aspects of their business through a 45 minute boot camp session. It was amazing to watch all of the students being put to the challenge and taking part as a team to enjoy physical exercise.

Morrison's Gardening Points

Dear Parent/Carer

If you shop at Morrisons, or know family and friends who do, please could we ask that you register Rushden Academy for gardening points.

For every £10 you spend (in store or online) you will get a Grow Token that the school can redeem for a wide range of gardening and growing equipment.

You can either download the Morrison's app or log into your Morrisons online account to start collecting Grow Tokens. Simply scan your digital My Morrisons or physical card in store, or link your My Morrisons card to your online account to get Grow Tokens every time you shop. The collection period finishes on Sunday 24th October.

We have been developing our grounds with students and have a the eco committee growing our own vegetables and a sensory garden by the inclusion rooms being developed.

We would really appreciate your help to give us the opportunity to buy more tools etc. to help us to continue our eco committee work.

Click [here](#) for more information about the gardening points scheme or use the QR code (right) to download the Morrisons app.

With many thanks

The Eco Committee

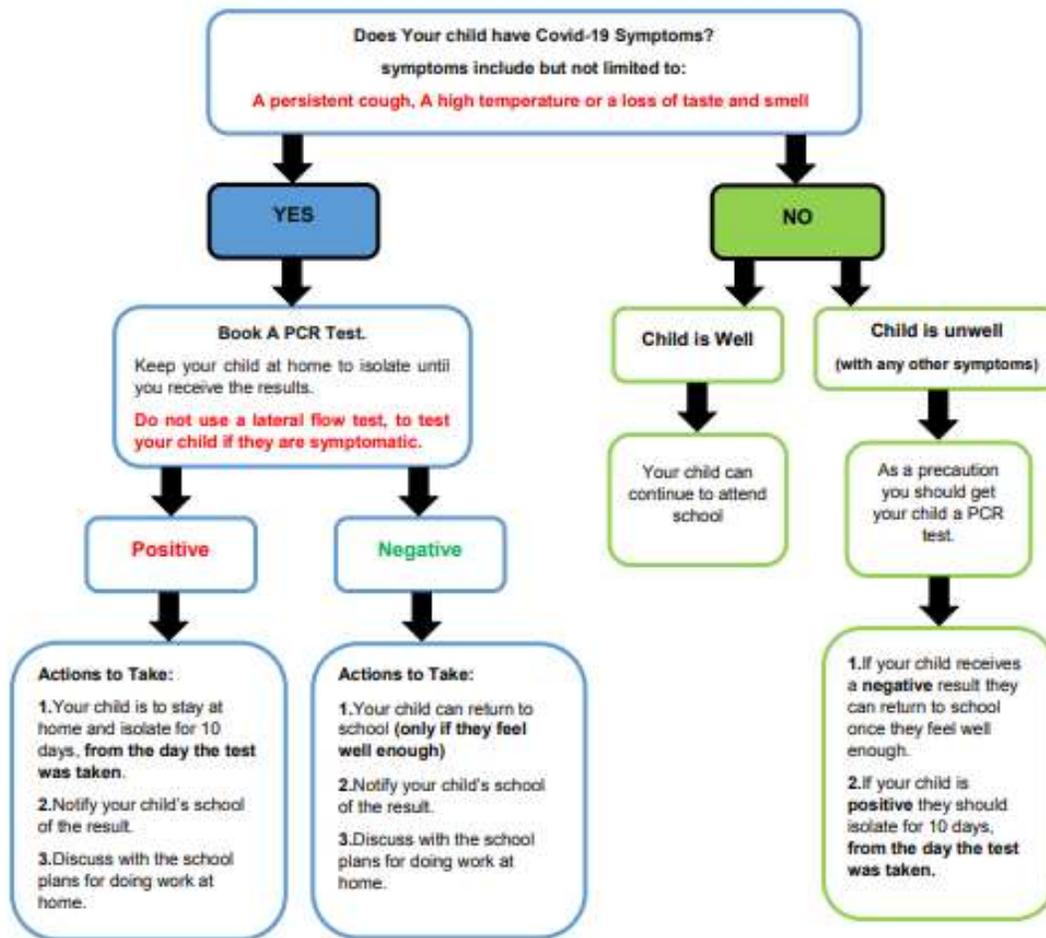

Parents Guide to Covid19 Testing

Additional Details to provide to your child's School:

- Dates of test.
- Type of Test (LFD, PCR).
- When symptoms began.
- Any close contacts. (friends, teacher, parent and siblings).

Performing Arts at Rushden Academy

Drama

Miss Grainger would like to say thank you to the Year 8 and Year 10 Drama students who participated in open evening last week. The students prepared sections from Blood Brothers and Sparkleshark. They were all able to perform a well rehearsed extract from the plays.

Year 7 Drama students have been exploring a series of different Roald Dahl books by the use of performance skills. Students have looked closely at facial expressions, body language, gestures and use of voice. This week and next during drama lessons, students will look closely at Matilda and how they can portray different characters using performance skills. We are extremely looking forward to watching all of Year 7's assessment pieces.

Dance

Miss Pilgrim would like to thank all dancers who participated in the school's open evening last week. The students continually worked hard in lessons to ensure they were able to demonstrate a well polished performance.

Our year 9 students have been learning the Janet Jackson's Rhythm Nation routine. The style of 'Urban Jazz' includes using a technique of isolating one body part at a time to a very fast rhythmic pattern. All students must perform this in unison in order to replicate the famous music video.

Music

Gamelan music has its origins in Indonesia and Year 8s have been working on creating their own versions of this style of music within music lessons. We have been using Glockenspiels to replicate the sounds of the instruments found within the style and students have been working in groups to compose a piece of music with the focus being on the structure and layering of ideas to create a well rounded piece.

Performing Arts Career of the week: Stage Manager

Stage managers make sure the sets, equipment and props are ready for the opening of a performance

Average Salary: £35,000

Did you know Miss Taylor has a degree in Stage Management!

For any students that are interested in taking up instrument lessons this term - please get in touch with Mrs Ede! We currently offer string, piano, guitar, drum and singing lessons but if you are interested in other instrument please let us know and we will try and source the provision!

Legally Blonde Update

In rehearsals this week Mrs Ede, the cast and chorus began to block the first big number 'What you Want'. As always both the cast and chorus are motivated and committed to the rehearsal process. Miss Taylor has been working with the backstage crew, which involves Stage Manager Oli, Assistant Stage Managers Matilda and Kit and also their crew.

We announced our pantomime 'Cinderella', The backstage crew has been selected and those not selected will re join the crew again in January to continue work on Legally Blonde and Matilda.

Interview with a cast member:

Name: Emma Y10

Role: Paulette

Why did you get involved in the musical?

I wanted to get involved in this years musical because seeing past showcases and musicals seemed like an amazing experience and a real confidence boost.

What do you enjoy the most about being part of the musical?

Transforming into a different character, everyone becoming a team and being so supportive and kind towards everyone involved.

What do you think the most challenging part of your role will be?

For my character, I think particularly is a few of her singing parts, which are extremely powerful. However, I am so excited to play her!

KS3 Musical

Due to Year 7 swimming on Monday 18th October the KS3 Musical meeting will now take place **Wednesday 20th October 3:05pm.**

THANKYOU

A Huge thank you to all of the Performing Arts students who helped out at open evening last week. The level of enthusiasm, dedication and talent we saw was amazing. All of the performing arts faculty are extremely proud of all involved!

How to Access Go4Schools

Go4Schools is the online system that Rushden Academy uses to track student attendance, student progress and assign homework tasks.

Students and parents can access this at home to keep up to date, by checking timetables and homework deadlines. Student progress reports will be published through Go4Schools 3 times a year.

Please follow the instructions below to access Go4Schools.

Student access to Go4Schools

- ◆ Go to the Go4Schools student access page (on the top right of the Go4Schools home page)
- ◆ Type in your school email address in the first time user box (your computer login in followed by @rushden-academy.net)

First-time User?

If you haven't logged on to GO 4 Students before, type your email address and click the "please send me a password" button.

Email address:

Please note, if you are having problems with your password please contact your school. For Data Protection reasons we are unable to divulge or set passwords for students ourselves.

- ◆ This will send you an email link with your password
- ◆ Login with your new password

Parental access to Go4Schools

- ◆ Go to the Go4Schools parent access page
- ◆ Enter your email address (the one Rushden Academy contacts you on) to the first time user box
- ◆ This will send you an email link with your password
- ◆ Login with your new password

If you haven't received an email in 5 minutes, please double check you have your email typed in correctly and ask them to send the password again. If you have any problems accessing Go4Schools do not hesitate to contact the academy.

Check if You or Your Child has Coronavirus Symptoms

If you have any of the main symptoms of coronavirus (COVID-19), get a test as soon as possible. Stay at home until you get the result.

Main symptoms

The main symptoms of coronavirus are:

- ◆ a high temperature – this means you feel hot to touch on your chest or back (you do not need to measure your temperature)
- ◆ a new, continuous cough – this means coughing a lot for more than an hour, or 3 or more coughing episodes in 24 hours (if you usually have a cough, it may be worse than usual)
- ◆ a loss or change to your sense of smell or taste – this means you've noticed you cannot smell or taste anything, or things smell or taste different to normal

Most people with coronavirus have at least 1 of these symptoms.

What to do if you have symptoms

If you have any of the main symptoms of coronavirus:

1. Get a test to check if you have coronavirus as soon as possible.
2. Stay at home and do not have visitors until you get your test result – only leave your home to have a test.

Anyone you live with, and anyone in your support bubble, must also stay at home until you get your result.

Use the NHS 111 online coronavirus service if:

- ◆ you're worried about your symptoms
- ◆ you're not sure what to do
