SUBJECT: ICT					

LONG TERM PLAN	Number of lessons	Acquired knowledge – build in opportunities to revisit & sequence carefully	Acquired Skills – embed, revisit and build in checks to ensure they have acquired them	AP Assessment – What have they learnt and remembered?	Extra- curricular links:
					    School values
					    CEIAG
					    Trips
					    Links to local context
					    Working across subjects

Year 11 – term 1	5 lessons per fortnight	BTEC coursework continues through year 10 into year 11 where students have selected ICT BTEC as an option. Students will be taught how and why, but also have the opportunity to see how the topic relates to an exam question, in preparation for component 3 (year 11) Component 3 is an external exam	**LOA.** Demonstrate knowledge of facts, terms, processes and issues in relation to digital information technology **LOB**. Apply an understanding of facts, terms, processes and issues in relation to digital information technology **LOC**. Analyse, evaluate and make reasoned judgements about the use, factors and implications influencing digital information technology **LOD.** Make connections with the concepts, issues, terms and processes in	Students will be assessed at the end of each the course with an external exam. Students will also have opportunity to complete any unfinished coursework.	There will be a consistent approach to teaching this aspect across the school to prevent any confusion for students, staff have been provided with CPD training to promote this and also a handbook to assist and prevent any confusion for students.
